

MANAGING YOUR MONEY

FOR TRADESPEOPLE

Training Objectives

This online self-directed course is approximately two hours long and can be completed from your laptop or mobile device at any time. This course provides you with the knowledge and skills to be comfortable making decisions about your own financial well-being and to avoid common financial pitfalls of people working in the construction trades by building upon your 4 pillars of financial health.

Upon successful completion you will demonstrate proficiency in:

- Analyzing your personal finances
- Creating financial goals
- Managing income fluctuations
- Securing financial support
- Applying savings and debt management strategies

Modules

1. Welcome
2. Making Money in the Trades
