- 1.01** The objectives of this Agreement are to: stabilize the construction industry; provide fair and reasonable working conditions and job security for employees in the industry; promote harmonious employment relationships between Employers and Employees; provide a mutually agreed method of resolving disputes and grievances arising out of the terms and conditions of this Agreement.

CMAW and its signatory Employers embrace workplace diversity and value the richness and creativity it brings to the worksite. The parties recognize a shared commitment to achieving employment equity within the construction industry and to provide apprenticeship, skills training and employment opportunities to First Nations people, cultural and visible minorities, women in jobs that have been traditionally performed by men, and otherwise disadvantaged persons. To that end, the parties have implemented the necessary initiatives to encourage the hiring and integration of such individuals on their worksites.

CLAUSE 2 EFFECTIVE DATE AND DURATION

- 2.01** This Agreement shall be for the period from and including May 1, 2026 to and including April 30, 2030, and from year to year thereafter subject to the right of either party to the Agreement within four (4) months immediately preceding the date of expiry of this Agreement, or immediately preceding the last day of April in any year thereafter, by written notice to require the other party to the Agreement to commence collective bargaining.
- 2.02** Should either party give written notice to the other party pursuant hereto, this Agreement shall thereafter continue in full force and effect until the Union shall give notice of strike, or the Employer shall give notice of a lockout, or the parties shall conclude a renewal or revision of the Agreement or a new Collective Agreement.
- 2.03** "Notice of lockout" shall only operate as terminating this Agreement if such notice is followed by the actual refusal to employ Union members on a project(s); and the Agreement is terminated only when the actual lockout occurs; the Employer agrees that it shall not issue notice of lockout later than two (2) months following the concluding of a new CMAW Standard All Employee Agreement in the industry; and, further, the Employer agrees that if it does not give notice of lockout and impose an actual lockout within the aforesaid time limit, it shall be bound by the terms and conditions of the new CMAW Standard All Employee Agreement as negotiated from time to time in the industry.
- 2.04** The operation of Section 50 (2) and (3) of the Labour Relations Code is hereby excluded.

CLAUSE 3	EXTENT
-----------------	---------------

3.01 Scope and Recognition

This Agreement shall apply to all employees except those excluded in the British Columbia Labour Relations Board Certification.

The law, the certification, and this Agreement are the source of rights of the Union and any employee covered by this Agreement.

3.02 The Employer recognizes the Union as the sole and exclusive bargaining agent for the employees as defined in the British Columbia Labour Relations Board certification order.

No person shall solicit membership in any other labour organization, or collect dues, initiation fees, fines, or assessments for any other labour organization on company time or jobsite.

3.03 Union Orientation

The Union may familiarize the new employees with the Union. The shop steward or designate may spend up to 15 minutes with new employees during their first week of employment. Time spent will be considered as time worked with no loss in pay and benefits.

3.04 This Agreement will apply to all areas of the Province of British Columbia.**3.05** All employees who work over 220 hours in a 12-month period in the employment of the Employer shall, from that time forward, as a condition of employment maintain membership in good standing in the Union. All employees who have not met that threshold must be permitted in by the Union upon commencement of work. Existing Union members who meet the training and technical requirements for the job will be given preference for work over new permitted individuals.

The Employer agrees that it will not contract out such work to be performed at the jobsite that is normally done by the Employer's member employees except to employers who are signatory to this Agreement or the CMAW Standard Agreement, or employers who are signatory to an agreement with the Construction Maintenance and Allied Workers Canada.

3.07 Union/Management Committee

The Employer and the Union agree to hold Union/Management meetings if requested by either party. The purpose of the meeting will be to resolve:

- (1)** Matters concerning the appropriateness of work assignments and job descriptions.
- (2)** Matters of mutual interest and concern.

This does not preclude any disputes being resolved under other clauses within this Collective Agreement.

The Union/Management Committee will have equal numerical representation from both parties.

The committee will consist of a minimum of two (2) members from each party.

Notwithstanding the foregoing, the Union and the Employer may mutually agree to vary this requirement. Such agreement shall be reached prior to the commencement of work on the project, and prior to the date of tender if possible.

(e) Termination of Employment

In the event an Employee voluntarily terminates their own employment after having been on the project for less than fifteen (15) calendar days, the Employer shall not be required to pay the Employee’s terminal travel allowance, and shall additionally be entitled to deduct the initial travel allowance already paid from the Employee’s final pay cheque.
